I'm delighted to write and share with you some early information about the forthcoming Assembly and encourage you now to put the dates into your diary, plan to register and to be with us for this exciting occasion.

The theme will be '**Communities of Conviction**' and will involve an exploration of the key convictions that shape our Baptist life and witness, both here in Scotland and globally. Our speakers include: Rev Dr Ian Randall, formerly Director of Research at Spurgeon's College, a highly respected historian and author of a book entitled '*Communities of Conviction*'; Rev Dr Stuart Blythe, a lecturer at the Scottish Baptist College and Rev D. Marc Owen, the Church Life Secretary for the Baptist Union of Wales. Our new General Director, Rev Alan Donaldson, will also be giving a keynote address.

The theme will be explored through Bible Study, break out groups and through telling good stories of what God is doing both in our churches and in our global partnership with BMS. So please make a special effort to join us and book early.

Assembly is a wonderful opportunity for Baptists across Scotland to come together to discern and discuss, to be inspired and resourced, to worship and to fellowship. This year there will be some significant opportunities for us to discern the will of God in areas affecting our common life together. Please think about who the key people are in your church fellowship and encourage them to be delegates. Please come and join us, and encourage others to do the same.

The Assembly is not just for the appointed delegates, but for everyone in our churches. Your church should soon be receiving a Powerpoint presentation and invitation to the Assembly. This will also soon be available as a download from the website [www.baptistassemblyinScotland.org](http://www.baptistassemblyinScotland.org) along with forms which you can use to register for the Assembly. The website will be fully functional within the next few weeks. If you register before 30<sup>th</sup> June 2010, you will qualify for an early bird saving. Leaflets will be coming out soon with further information. Meantime, put the dates in your diary and plan to be with us.

With warm Christian greetings

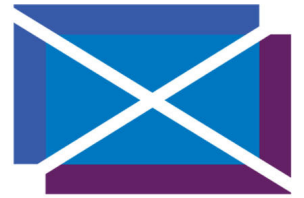

(Dr) Jacqueline Primrose
