Friday 6 December 2019

John Locke at Kileathea Church, Greece, for bible teaching

"It Is Well With My Soul"

By Jonathan Bismark

*So let go my soul and trust in Him
The waves and wind still know His name
So let go my soul and trust in Him
The waves and wind still know His name!
So let go my soul and trust in Him
The waves and wind still know His name
The waves and wind still know His name*

*And it is well with my soul
It is well with my soul
It is well with my soul
It is well, it is well with my soul
It Is Well - Kristene DiMarco, Bethel Music*

The last few months have been difficult. My family has been going through a situation that has seen my faith challenged to a degree I have never before experienced. More than several times I have found myself genuinely angry with God, shouting at Him in prayer for how unfair things have been.

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

Philippians 4:6-7

When I do experience doubt and pain, there is a song that, together with this scripture, has always been my anchor, to remind me of God's sovereignty over not only my life but the lives of my family and friends. "It is well with my soul". Such a simple chorus yet it contains all the hope and encouragement of recognising that the creator of the universe is not only aware of your pain and suffering, but understands it and wants to give you His peace for your troubled soul. Reminding me that while suffering is not part of God's plan, it is an opportunity to exercise faith, to trust that He does have a plan and that He will help weather the storm.

It is well with my soul
