**“SAS Advance Under Fire!”**

**By Nigel Johns**

The film "Heat", with action adviser Andy McNab, a former SAS trooper, is probably the classic demonstration of "advancing under fire" or Overreach as it is known. Seizing ground progressively in the heat of battle, to overcome the enemy. It takes huge courage, extreme confidence in fellow soldiers, and a total belief in your overwhelming firepower. This film is not recommended viewing.

1Jn 4:4 tells us, "He who is in you is greater than he who is in the world." 1Jn5:4 states, "whatever is born of God overcomes the world." Our weapons, 2Cor 10:4 says, are Divinely strong (God empowered). In Christ, we have overwhelming firepower, to advance on enemy strongholds. Knowing this Truth, that all unsaved people have Eternity hidden in their hearts- that capacity to receive New Life from Christ. This Emboldens us to preach for Salvation. The sick & the troubled have a condition; that's a fact! However, our secret weapon, **the Truth** exceeds facts!!! There are truths in Christ's Word that transcend earthly facts." By His stripes we **are** healed" Is 53:5.

Faith in the Truth draws down Divine health, to displace sickness with Christ's own Health. J8:32 "And you shall know the Truth & the Truth shall make you Free."

There is only one way the unsaved, sick, & troubled can know the Truth which saves, heals & releases. It comes by hearing. Faith only comes by Hearing. Hearing our testimony of Christ's power, love, & destruction of all the works of the Devil. 1J5:4 The victory that overcomes the world-our faith.

As we contradict the conditions we encounter, with faith in the Truth, we are advancing "The Kingdom of God" albeit under fire, & Divine protection.
